MarketPlace of Ideas gives chamber members the opportunity to showcase their products and/or services. Many members have been pleasantly surprised at services offered by a particular business that for some reason or another may have gone unnoticed. MarketPlace is an opportunity to network, and to learn more about our member businesses and how we can support each other in our mutual goal of developing a strong economy in our community.

The MarketPlace of Ideas will be held during the social hour of the Chamber's Annual Dinner Meeting. Participants are encouraged to also sign up to attend the Annual Dinner Meeting (see separate insert this NewsMonth for Annual Chamber Dinner 2008 Invitation), not only to enjoy the dinner and the speaker, but to also stay around to answer questions for anyone who may not have had the opportunity to see your display earlier or who may now have a question.

This Market Place is the perfect opportunity to showcase your products or services, and in turn, learn more about other Chamber member businesses in our community.

**\*Only 10 businesses will be featured, and space will be granted  
on a first-come-first-served basis.**

**There is a \$10 fee for the 8 X 10 table.**

We would also welcome any member who will supply this evening's festivities with a door prize. If you wish to participate in this endeavor, please mark the space below so that we know and be sure your company name is prominent on the item.

Thank you.
